Winter 2019

La collezione Ciesse Piumini Fall 2019 guarda al futuro, in un viaggio immaginario nello spazio, a mondi inesplorati, ma a noi sempre più vicini.

Dove riadattarci ad un nuovo, sempre più dinamico, modo di vivere.

Questo concetto viene tradotto nella collezione attraverso l' utilizzo di tessuti laccati e laminati e nel loro mix con tessuti tecnici e dal sapore cotoniero, dando vita ad un look moderno, e facile da indossare.

Più che una tendenza è un o stile di vita.

Ciesse Piumini Fall 2019 look at the future, jumping into an imaginary travel in the space, looks at unexplored world, getting closer to us.

A world, where adapt yourself at the new, more than ever fast-moving way to life.

This concept will be translating in a collection rich of lacquer and laminated fabric, where they mix with a technical fabric and a "cotton touch" hand feel, creating a modern look, easy to wear.

More than a mood, Ciesse Piumini Collection it's a lifestyle.
